Aidin Sirinejad

Architecture Student

About

Bachelor Of Architecture Student With A Strong Interest In Architectural Design, 3D Modeling, Rendering, Visualization, And Architectural Theory. I Am Eager To Gain Practical Experience Through Internships At Leading Architecture Firm, Where I Aim To Enhance My Skills And Understand Professional Design Processes And Communication.

I Am Pleased To Submit My Portfolio For Your Consideration. This Collection Showcases Selected Projects That Reflect My Academic Journey And Participation In Architectural Competitions. Thank You For Reviewing My Work.
